

**Landfill Gas Systems Operations & Maintenance  
Register for this Canadian Content Course!!  
Tuesday October 26 and  
Wednesday, October 27 2010  
At the Manteo Resort in Kelowna**

---

Don't miss out on this great new opportunity provided by the SWANA Pacific BC & Yukon Chapter.

The Solid Waste Association of North America (SWANA) is an industry association with members in both the public and private sectors. **The Pacific BC & Yukon Chapter is proud to announce that it will be offering a special Canadian version of the SWANA LFG course. Our Canadian instructors have fine-tuned the course to enable it to be delivered in two very full days allowing you to economize on travel necessities.**

#### **WHY ATTEND?**

SWANA instructors will present landfill gas professionals with the best practices and procedures for both the operation and maintenance of landfill gas collection and control systems.

SWANA's industry-leading landfill gas course is intended as an interactive instruction for anyone interested in starting or improving a landfill gas collection and control system. This includes solid waste directors, landfill designers/engineers, landfill operators, permit writers, and other solid waste management professionals. Participants will cover key elements of LFG systems (including system design, construction, and monitoring), discuss landfill gas regulations, and gain an understanding of the importance of landfill gas recovery and utilization.

The session will go "beyond basics", exploring the daily challenges associated with operations and maintenance of LFG systems.

Share knowledge with your colleagues and learn new approaches for capturing, controlling, and managing landfill gas.

This interactive session will be taught by two SWANA faculty members from Ontario bringing Canadian content to the course, and is a great way to actively increase your knowledge of landfill gas systems.

#### **PRICE:**

**\$600 CDN plus HST Members**

**\$700 CDN plus HST Non Members**

*Includes course materials, breakfasts and lunches.*

*SWANA CEUs will be awarded to any attendees collecting these for recertification.*

## Please Note

The course will be held in advance of the Southern Interior Waste Managers Conference held at the end of that week. For more information on the SIWMA gathering you may email Peter Rotheisler [peter.rotheisler@cord.bc.ca](mailto:peter.rotheisler@cord.bc.ca)
